2. Seattle Fish Company
3. Santa Monica Seafood
5. Stavis Seafoods
6. Ipswich Shellfish
7. J.J. McDonnell
8. Seacore Seafood
9. Fortune Fish & Gourmet
10. Euclid Fish Company

What Types of Projects Are Funded?

- Gear or Farm Improvements
- Fisheries Management
- Wild Stock Enhancement
- Species Research and Data Collection
- Research to Improve Farming Practices
- Fishery Habitat Restoration
- Technology
- Aquaculture Improvement Projects
- Regional Aquaculture Management
- Communication & Education
- Fishery Improvement Projects

How Does Sea Pact Select Projects?

1. Request for letters of interest and invitations for proposals on an annual basis
2. Sea Pact Advisory Council reviews all applications together with sustainability consultants
3. Potential projects are evaluated on environmental need, fiscal needs, relevance to the seafood industry, and socioeconomic impacts on fishing or farming communities

“"We’ve learnt a lot from our previous grant proposal requests, and have begun to recognize where our contributions can make the greatest impact on creating positive change within our industry."" - Guy Dean, Vice President/CSO of Albion Farms and Fisheries
SEA PACT united for a sustainable future

27 GRANTS 22 PROJECTS 13 COUNTRIES

WITH OVER $550,000 USD IN DIRECT SUPPORT

OVER $1 million USD WITH ADDITIONAL FUNDS GENERATED

funded projects
